SOUTH PACIFIC — Jimbo Stevens helps Suzi Bjorstrom "wash that man outa her hair" while Mike Bride watches in a scene from "South Pacific." The musical has been held over for two additional performances at Mount Miguel High School. It will be presented May 7 at 7:30 p.m. and May 9 at 8 p.m. Approximately 1,000 persons were turned away from the four sell-out performances. For ticket information call the school at 463-5551.

School Bill Petitions Circulated By Teachers

Teachers of the Lemon Grove District Teachers Association began yesterday to gain signatures on an initiative petition for increased State support for schools. They, along with 135,000 members of the California Teachers Association, hope to obtain over a million signatures statewide during the next two weeks, double the number needed to qualify the proposition for the November ballot.

James Dawson, president of the local CTA group, stated that the proposal would provide an additional $140 million in State school support next year and would finally amount to $200 million for schools from 1966-67 on. This means 17c more per child for California's school poulation, the greatest enrollment in the nation.

"Every significant increase in support for public schools," Dawson stated, "has come through initiatives submitted directly to the people. Although the Legislature has provided additional funds over the years, none of the sums voted in Sacramento has begun to match the growing expenses borne by local districts and local taxpayers."

Harry Weisgerber, local instrumental music instructor, is general initiative chairman for city and county schools. "Unless the State begins to assume its fair share of the cost of education. local taxes must increase steadily or our educational program must be cut back. Currently, taxes pay over 60% of the bill, while the State's share has slipped far below 40%.

"The CTA proposal will help bring financing of schools back to a 50%-50% relationship," he continued. "Under California's Constitution. schools have first call on the general fund. The Public Schools Fund proposition can easily be financed from the present State budget. It's merely a case of the Legislature, after this proposition passes in November, determining which other budget items must be trimmed to meet our most pressing need, adequate schools for the youth of this state."

Another Lemon Grove teacher leading the initiative movement is Mrs. Margaret Lemmer, a member of the CTA Board of Directors. She was one of ten proponents of the iniative presented late last month to Attorney General Stanley Mosk for titling.

"The decision to go to the people was reached after long months of study and research," she told this paper. "No present bill still alive in Sacramento can even begin to provide sufficient additional school funds for the next two or three years. We must act now if education in California is not to suffer. Although the local taxpayer has demonstrated a willingness to foot a large per centage of the bill, it is unfair that he continue to bear the burden."

Other local association spokesmen voiced hopes that Lemon Grove resigtered voters would help swell the hundreds of thousands of voters throughout the state who will help place the measure on the general election ballot in late fall. Inquiries can be directed to any of the LGDTA officers at the association's address, P.O. Box 128, Lemon Grove.

Trusting Trusties Ups Budget

SAN DIEGO (CNS) — The proposed County budget revealed, among other things, that things are not going too well in the Sheriff's office.

The Sheriff wants a clerk added to his staff to handle personal property of the inmates. There have been problems concerning issuance of wrong clothing, excess clothing and disappearance of many items, all of which are now being handled by trusties.

The budget says what Sheriff Joe O'Connor is too diplomatic to say:

"Trusties in the County Jail just can't be trusted!"

MISS LEMON GROVE — Five Lemon Grove girls have entered the 1964 Miss Lemon Grove and Fairest of the Fair contest. They are, from left to right, Nancy Morse, Hollis Sayward, Darlene Anderson, Donna Harrison and Lauren Dye.

The contest, sponsored by the L.G. Kiwanis will be held May 13 at 12:45 p.m. at Michael's Restaurant. Contest Chairman Dave Ratliff said the deadline for entering the contest is May 12. Application blanks may be picked up at the L.G. Review office or at the Highlander in Lemon Grove. Winner of the local contest will receive $150 in prizes.

Merchants to Award $400 In Appreciation Days Promotion Event

Approximately $400 will be the prize when the first Appreciation Days award is made in Lemon Grove May 23.

The award will be made directly after a parade of 50 antique cars parades down Broadway about 10 a.m.

The competition will be held at the market parking lot at Broadway and Olive. Names will be drawn from a drum until a winning contestant is produced, according to Ed Burt, newly appointed chairman of the Chamber's Merchants' Division.

Each of the participating firms will offer merchandise consolation prizes. The jackpot will grow every week and according to Burt, "may go on forever".

Merchants who expect to participate later may do so but each will have to pick up the same financial obligation that was taken on by the original sponsors, Burt said.

A Kiddies Karnival Ride will be on the market parking lot Friday, Saturday and Sunday of the Opportunity Days Week. Rides will be five cents for kiddies from 10 to 12 o'clock Saturday. The Karnival will open after school Friday and after church Sunday, Burt said.

During the Thursday to Saturday period, local merchants will have on Old Fashioned Sale to remind residents that Lemon Grove is a prime shopping center with true bargains and plenty of front-door parking.

L.G. Man Gets 5-Year Term For I.B. Burglary

SAN DIEGO (CNS) — Two east county men have been sent to state prison for five years to life for burglarizing a home in Imperial Beach in the nighttime.

They are Lloyd Lovel Finley, 20, 1627 Elroy, Lemon Grove, and Gary Lee McCoy, 21, of La Mesa.

The pair pleaded guilty to burglarizing the home of Maybelle V. Triplett, March 3. About $800 in household goods was taken including a television.

McCoy was arrested in Prescott, and Finley was arrested at his home in Lemon Grove.

Man Who Came To Lunch Overstays His Welcome

An uninvited guest was in the toils of the law Saturday after he helped himself to peanut butter sandwiches and milk, then topped off the meal with ice cream in the home of Mrs. Shirley Ann Hallen, 3040 Helix st., Spring Valley.

The man, Jerry Lee Matheson, 21, who lives at the Sand and Sea Motel in San Diego, said to be an encyclopedia salesman for the P. F. Collier Co., was found sitting in the living room on a couch enjoying his self-helped repast when Mrs Hallen returned from shopping.

She screamed and the young man apologized and walked out. Police, who hurried to the neighborhood after they were alerted, found him in the neighborhood attempting to sell more encyclopedias. He explained that he thought he heard someone say "come in" when he rang the doorbell of Mrs. Hallen's home. Not being able to gain entrance through the locked front door, he got in without difficulty through the back door, he said.

Sups Get $109 Million County Budget Up 4.5%

SAN DIEGO (CNS) — The proposed budget for San Diego County for fiscal 1964-65 leaves $851,486 in items of policy for the decision of the Board of Supervisors. These items range from the request of the San Diego Convention and Tourist Bureau for $407,250 to the policy matter of hiring a stenographer for the Vista office of Supervisor Robert Cozens at $5,088.

The total budget including the policy items is $109,461,375 and although this is $10,618,790 more than the current fiscal year, the actual increase is $4,429,958. Much of the increase is a $6,088,832 welfare bookkeeping increase because the law now requires state and federal funds given to the county to show as revenue.

The actual welfare increase in the county is $862,000, for a total of $51,584,871. Public assistance is the largest item in the budget. Chief Administrative Officer T. M. Heggland said that the net increased cost to the county will be $157,708.

Heggland said the budget increase is 4.6 per cent if the bookkeeping increase is excluded.

Heggland did not attempt to estimate a tax rate but said in his budget message that "Certainly, no one can guarantee that the present tax rate can be preserved. However, I am confident that your board's final determination will be such as to lead, if possible, to a preservation or reduction of the tax rate."

The rate during the current year is $2.139 per $100 of assessed valuation. The per capita collection is considerably under the state average at $33.65 for San Diego County and $46.59 for the state average.

An item that is almost bound to create a fuss is the request of the tourist bureau for an increase of $307,250 from $100,000 for advertising county resources. Heggland said the bureau has asked for the increase to make possible "many important new projects".

Heggland said that a similar request has been made of the City of San Diego. The city and county are both considering levying a four per cent tax on motels and hotels but Heggland said that this would bring the county only about $65,000. The city, of course, would receive much more income from the tax.

Another policy decision is whether to put $3,350 in the budget so that the planning commission can meet three times a month instead of twice. The commissioners receive $25 for each meeting.

Another question is whether to step up the present level of preliminary planning for the location of highways by establishing an eight-position precise planning group in the Surveyor's Department at a total cost of $87,731.

Mother's Day Is Sunday

Sunday is Mother's Day.

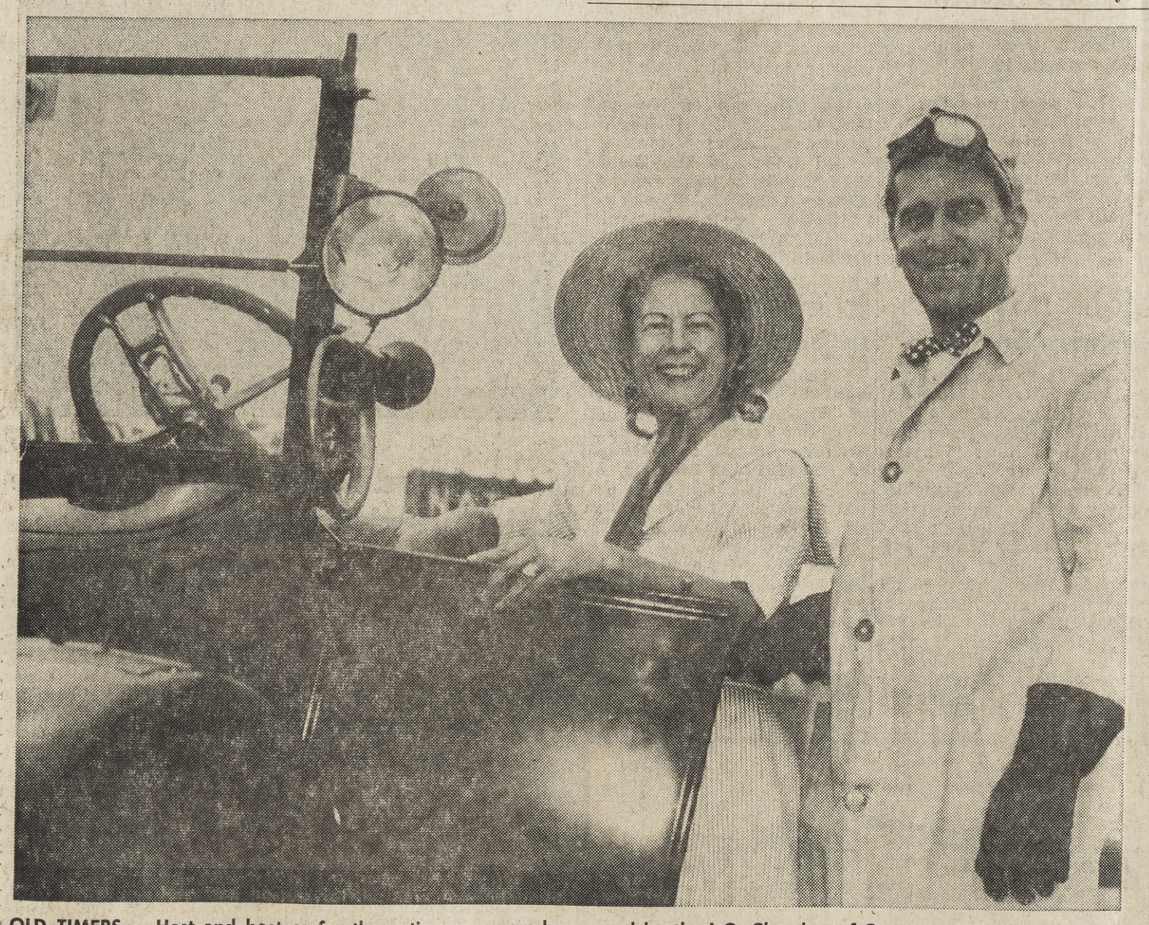
It is a Day that should be centered around home and your church.

Your mother would be pleased if you went to church in her honor. She would be more pleased if you went to church with her.

Gift giving to mother is welcome, too. It shows the love and affection you have for your mom. No matter what mom says she prefers something sentimental to something practical.

When you acquire mom's gift, get it locally. There are many fine shops here, operated by local folk, who have helped make your mother's day by day existence happier

If your mother lives elsewhere, buy your gift locally, anyhow. The shopkeeper will be happy to help you with your choice.



OLD TIMERS — Host and hostess for the antique car parade, scheduled to visit Lemon Grove May 23 at 9:30 a.m. will be Dr. Amorita Treganza, a Lemon Grove optometrist, and Clarence Scheidle, a Lemon Grove businessman. Scheidle will drive his own car, a 1915 Studebaker. Dr. Treganza was Miss Lemon Grove 1928.

The parade is part of an Old Fashioned Days promotion sponsored by the L.G. Chamber of Commerce. Lemon pies, baked with locally grown citrus will be handed to each of the drivers of the 50 cars in the parade. The parade, sponsored by the Antique Auto Club and KOGO-TV, will be the largest ever held in this area.

Cars will be driven east on Broadway, stopping in the center of town for the lemon pie festivities.

LET US ALL PRAY TOGETHER AS A FAMILY

Calvin Coolidge, who was noted when President as being a man of few words, returned home from church one morning and was asked by his wife, "What did the minister preach about?" Mr. Coolidge answered, "Sin." What did he say about it," she asked. "He said he was against it." So is a Christain "Against it."

Dr. Edward Winckley

Healer Returns To St. Philip's

Dr. Edward Winckley of the Angelican church, South Africa, is returning to St. Philip's Episcopal church May 27, 28 and 29 for a Mission of Christian Healing. He performed a similar mission at the Hardy ave. and Palm st. church just four years ago.

The Rev. Father E. Phillip Bartlett, vicar of St. Philip's said that Dr. Winckley's philosophy will be introduced to those attending the Mission. Dr. Winckley says the nature of man as curable by the touch of Christ and the nature of God as One Who Wills to make us whole are the basic assumptions of the Church's Ministry of Healing."

Mr. Winckley is a Warden of the Order of St. Luke, the Physician and Founder of the Kearnsey Healing Home, Natal; The Home of Divine Healing for Africans at Ekuphilisweni; and two further homes, a holiday home for cultured Africans, and a European home called Forest Sanctuary in the Cape.

"Although spiritual treatment takes priority over medical at these homes and the Church's Ministry of Healing is given fullest scope, provision is also made for orthodox medical treatment, and trained nurses work under a resident medical officer, Mr. Bartlet said. Kearnsey is a large healing community in South Africa. Mr. Winckley has preached and held Missions in most of the Cathedrals and Parish Churches of South Africa, and is presently on his third tour of the United States.

DR. TREGANZA CROWNED 'WOMAN OF THE YEAR'

(A picture of Dr. Treganza is on page one this issue.)

A Lemon Grove woman, Dr. Amorita Treganza, was crowned as San Diego's "Woman of the Year" last week at a banquet at Hotel del Coronado.

Dr. Treganza, who is Mrs. Lloyd S. Adams, of 3255 Kempf st., Lemon Grove, was given the award by the President's Council of Women's Service and Business Clubs of San Diego.

The "Woman of the Year" award is bestowed upon a career woman who has achieved success in her business or profession and made outstanding contributions to her community. Dr. Treganza, an optometrist, has used her talents to help the less fortunate. She has treated many individuals who could not afford the vision treatment they needed but most of her effort has been directed through the Crossroads Foundation for the Rehabilitation of Alcoholic Women; the Boys and Girls Aid Society, and the Girls Club.

She is particularly fond of children and her practice has been almost entirely limited to them. Former Mayor Charles Dail named her goodwill ambassador to Baja California in 1961 because of her interest in youngsters. At Christmas and Easter, she and her husband, Dr. Lloyd Adams, also an optometrist, have made a practice of taking medical supplies, gifts, food and clothing to youngsters across the boarder.

Flying Samaritans

As members of Samaritanos, Voladores (Flying Samaritans) they have joined doctors, dentists and other optometrists on flights to Mexico to treat the needy.

Dr. Treganza was the first woman to serve as president of the Girls Club of S.D. In 1961 she headed its adult membership campaign. She has been chairman of the area March of Dimes and the donor of an annual scholarship to Grossmont High School. She has held offices in the S.D. Council of Alcoholism, S.D. Chamber of Commerce, Lemon Grove Coordinating Council, and United Community Services.

She was also "Miss Lemon Grove" in 1928.

Girl Scout Chatter

by Mary D. Giacinto

Mrs. McCormick organized a happy event for the Brownies recently at the Lemon Grove Jr. High auditorium. I guess you could call it a Brownie hootenanny rhythm band. Virginia McClintock led the singing which was mostly songs from the Brownie handbook. The highlights of the get-together for the very young ladies was their rhythm band. Troop 500 brought their home-made pie plate tamborines which were outlined with jingle bells. (Oh what rhythm they provoked.)

Our Brownies were so enthusiastic they requested another Brownie hootenanny soon. Isn't it wonderful to enjoy music(? so much.

Troop 573 brought their donation for the Juliette Low fund.

A patrol of troop 235 led by Mrs. Costello held a successful backyard-fun last week at Eucalyptus Park. They prepared their buns at home as they like them, but cooked their own hamburgers on park stoves. They were delightfully surprised at their own cooking ability. Oh-h were those hamburgers good! The chores were allotted happily by means of a spinning wheel containing symbols, one of which had been attached to each girl's listed name by the leader. Another patrol from troop 235 has planned their back-yard-fun for this week.

Crime Notes . . .

Finding no one home and and overcome by the need for good, substantial food, he helped himself to the contents of the refrigerator. Matheson told sheriff's deputies who responded to the call, that he intened putting a dollar on the table after he finished eating, but Mrs. Hallen's unexpected screaming had distracted him. He had $3.80 and a S.D. Police Department solicitors' permit in his pockets.

He also had a key to a S.D. hotel in his pocket but he admitted having left there skipping his bill.

Placed in the prowl car for transporting to County Jail, Matheson removed a half-gallon container of ice cream from his zipper bag and attempted to hide it under the seat of the car. He told officers he intended to eat it enroute to jail.

Search Produces Alleged Speeder

If you ever wondered how police are able to give tickets to separate drivers who are speeding in separate vehicles, the answer may be found in County Sheriff's reports dated Monday.

Deputy D. Lindberg, traveling south on Sweetwater ave., gave chase to two vehicles that pulled into the southbound Sweetwater traffic from Tyler st. without heeding the stop sign at that interesection.

One vehicle, a motorcycle, led the way at a high rate of speed which Officer Lindberg says he clocked at 70 miles an hour, then increased. The motorcycle was followed closely by a sportscar.

Lindbery headed off the motorcycle in the 1100 block on Sweetwater. It was reported to have been ridden by Michael Donald Keegan, 22, of 1649 Madera st., Lemon Grove. While holding Keegan, Officer Lindberg waited for the sports car but it didn't appear, apparently having turned off when the motorcycle was stopped.

Keegan said he was enroute to Crossroads Bar when the sportscar started following him and that he had to keep going faster because of its close proximity. He claimed he didn't know the driver. He was advised of his arrest by the officer and released.

Lindberg started a neighborhood search for the sports car. In the parking area behind the Crossroads he found the motorcycle on which Keegan was riding when arrested. Seated on the vehicle was Mario Concetto Ferrara, 20, of 1407 University ave., San Diego. Reluctantly he admitted knowing Keegan and being the driver of the sports car. The car he said, was parked in a yard at 1341 Sweetwater. He, too, was arrested.

Both men will appear in El Cajon Municipal Court to answer charges of speeding and failing to stop.

Man Forges Credit Card Service Station, 697 Sweetwater

A man using a stolen credit card and forging the name of the owner, bilked Gordon's Service Station, 697 Sweetwater ave., La Presa, of $200.

Gordon Black, the station owner, told police the name of George W. Rosengrant appeared on the card. The card was reported to have been stolen in the Los Angeles area.

Confesses Self Robbery

Van Beran Whitely, 26, a San Diego cab driver, who told police he was robbed on Quarry rd. in Spring Valley by two passengers he picked up on Market street at 11:30 p.m. April 25, is under arrest for making a false report.

He admitted to detectives Monday that he was not hit on the neck and robbed by the two men as he had told police. "I did it because I have some traffic tickets and my wife didn't know about them," he allegedly told the officers.

Careful detective work with attention to minute details produced Whitely's confession after detectives found some discrepancies in his story. There was $53.80 involved in the loss.

Whitely was charged with making a false report and his case will be heard in El Cajon Municipal Court.

Surf Board Rack Taken

Gene Braunstein, a San Diego youth, told sheriff's deputies that a surf board rack from the top of his car was taken while he attended a dance at Fayaton Hall. He set his loss at $10.50, the rack replacement cost.

The cover of a pickup truck was stolen from the vehicle being driven by Patricia Phillips of La Mesa who was visiting friends at 744 Safford ave., Spring Valley. The value of the cover was said to be $30.

Intercom Taken

An intercom was torn from the truck belonging to Cecil Edward Graham, a clerk, who lives at 9860 Arapaho st., Spring Valley Sunday. The truck was parked at his residence. His loss was $20 he said.

Bad Check Issued

The Skyline Market at 1505 Skyline, Lemon Grove, turned over to the sheriff's office here a check for $23 which was not collectable. The check was signed by a woman using the name of Rodriguez and the address was listed as Buckner st., Lomita Village.

He crawled under the car during the night and took the shaft and all nuts and bolts used to hold it in place. The car was parked in Hale's driveway. His loss is $20.

Snodgrass, speaking at a meeting of the Lemon Grove chapter of the California Republican Assembly, said it would be possible to lower taxes and eliminate waste.

"As a member of the San Diego Chamber of Commerce, I have worked with various civic committees such as military affairs. transportation, tourist and new industry and am thoroughly familiar with the San Diego situation", Snodgrass said.

Henry Boney Draws Top Convention To SD

Henry Boney, candidate for Second District Supervisor, has already nailed down one of the planks in his platform by bringing the California Grocers Convention to San Diego. Boney has consistently urged greater emphasis on conventions and tourism as the solution to San Diego's economic woes. "The fastest way of creating new jobs, fresh income and an independence from military contracts is to double the visitor business in San Diego", Boney stated at a recent campaign meeting.

The Grocers Convention, according to James B. Simmons, San Diego Convention Manager, is the Number One California Convention. An estimated 2,000 persons will attend the '66 conclave.

The Grocer's Association had in January of this year, selected Disneyland as the site of their 1966 Convention; and only recently agreed to re-evaluate their plans at the insistance of Henry Boney. On Monday, Boney led the Grocers Executive Committee on a tour of the Community Concourse and Convention Center. The announcement that the Convention would be held in San Diego came following the tour.

Grocers Executive Director, Merle J. Goddard, pointed out that the Committee's decision would need ratification by the Board of Directors, but that it would be "simply a formality".

LESS FORTUNATE CHILDREN TO BENEFIT — Henry Goldy, right, member of the Al Bahr Shrine Circus committee is shown selling circus tickets to Mrs. John Cook while John Cook, somewhat out-done, looks on. Cook, her husband, is San Diego general chairman for the Rudy Brothers-Shrine circus which is scheduled to be held June 12, 13, 14 at Westgate Park. He overlooked his wife as a ticket prospect.

The 4 p.m. circus performance on June 12 is set aside for less fortunate children of San Diego County. Any service club or recognized organization may have tickets to distribute free to less fortunate youngsters by calling this newspaper at 469-0101 or by calling Jesse Canale at 278-9200, ext. 394, according to Goldy.

Cook said the circus will hold performances twice daily and the public could attend. He said the circus is an activity fund project of the Al Bahr Shrine. Shrine Temples support eighteen crippled childrens hospitals in the U.S.

Five bus loads of youngsters from Tijuana are scheduled to be brought to the June 2 performance.

More than 6,000 tickets are available for distribution to groups who want them for children, Cook said.

Goldy, an area businessman, has been on the Shrine Crippled Children hospital committee for 7 years. Tickets are available for Shriners and their friends at Goldy's Bronze Room restaurant in La Mesa. The Al Bahr Shrine has 4,300 members, Goldy said. Tickets are $1 for general admission, $2 for reserved seats.

Earl Smart Heads Rockefeller Drive

Attorney W. Earl Smart, 7810 Golden ave., Lemon Grove, has been named chairman of the Rockefeller for President Committee in the Lemon Grove area by Herbert Kunzel, San Diego County Rockefeller chairman.

A long-time Republican, Smart came to the San Diego area ten years ago from Los Angeles. He is a former chairman of the Heartland YMCA and a member of the Lemon Grove Rotary Club.

Smart said in accepting the chairmanship "I believe with Governor Rockefeller that the American people are looking for leadership that Governor Nelson Rockefeller personifies and it is this choice that is being offered to the Republicans of California in the important Primary Election on June 2."

Dick Wilson Calls For Pipeline to Washington

Dick Wilson, candidate for the GOP nomination in the 37th Congressional District, called for the establishment of a "pipeline from San Diego to Washington" in an address before the Lemon Grove Men's Club Friday.

"For two years we have been on the wrong end of this pipeline and our 37th district congressman simply has relayed the demands of the administration back to San Diego," Wilson said.

"If our pipeline had been to Washington, instead of from Washington our insistent demands to keep the important Navy base in operation would have been relayed to the administration and our chances of retaining the Naval Repair Facility would have been improved," he said.

Wilson characterized Rep. Lionel Van Deerlin as a "Congressional messenger boy". "We don't need a congressional messenger boy to scurry back and forth between here and Washington. carrying news releases telling us what the administration plans to do to us. We need action the other way, a pipeline to Washington, a positive way to protect the interests of our area," Wilson said.

Men's Club speaker next Friday will be Herman Snodgrass, candidate for County Supervisor of the Second District.

The meeting will be at noon at the Horseshoe Tavern.

MAYTIME WINNERS — Lemon Grove's Junior High School Band, for an unprecedented fourth time, won the Marine Corps Recruit Depot Perpetual Sweepstakes trophy Saturday at the 17th Annual May Time Band Review at National City. The local students competed against junior and senior high school bands from all parts of Southern California to win this award. The trophy is now on display at the Lemon Grove Junior High office on Lincoln Street.
Under the direction of Harry Weisgerber, the band swung into competition to the strains of the Blue and Gold March. A demonstration of twirling by Sue Davis, 8-5 student, won this Lemon Grove pupil a repeat drum majorette first place award as she led the green and gold uniformed marchers. The M.C.R.D. trophy represents the second highest award offered by parade sponsors. Overall sweepstakes winner was the Azusa High School Aztec band, tops in this field for the second consecutive year.
Several hundred parents and other school patrons from Lemon Grove helped swell the crowd of 80,000 which viewed the spectacular. Weisgerber stated that much of the credit for the local win was due the Lemon Grove Music Parents who helped shine and polish the band in preparation for the parade. "They accomplished their job so well," he said, "that we achieved the best inspection score we have ever had."
Accompanying the band to National City was the Lemon Grove Junior High Pom Pon Corps, a group of 40 girls under the direction of Miss Mary Hitt. Not in the competition category this year, their routine added the extra flash the band utilized in their try for the coveted trophy.

THOMAS SAYS STATE DEMOS SPELL DEFEAT

Dan Thomas, Republican candidate for nomination in the 37th Congressional District, today charged the Democratic administration, and in particular, the State Department with fostering policies that can only lead to defeat.

Thomas said, "We should not underestimate Senator Fulbright nor the statement he made on our attitude toward Communism. "I do not believe that he was testing policies to be adopted by the administration. Rather, I believe, Fulbright was seeking congressional approval of appeasement policies already determined by the State Department.

"These are the policies of the Democratic Party and of the incumbent congressman from the 37th District. I offer you a positive program of victory over Communism — not appeasement as does your Democratic Congressman from this District," Thomas added.

La Presa District Renewal Request OKd

SAN DIEGO (CNS) — The County Board of Supervisors Tuesday approved the continuation of a large 1913 Improvement District in the La Presa zoning section known as East San Diego Villa Heights.

The district is bounded by Apple, Grand, Eucalyptus and Cuyamaca. The district contains an assessed valuation of $1,997,000 of which 2.45 per cent was in protest.

The major job includes installation of streets, sewers and water lines. One hundred fifty-six property owners have already paid connection fees of $600 to the La Presa Water District in anticipation of the improvements.

Speakers in opposition said that the area was not ready for such an expensive project and said they would rather see it put off.
